

## School District #54 (Bulkley Valley)

### JOB DESCRIPTION STUDENT SERVICES - SPEECH LANGUAGE PATHOLOGIST ASSISTANT

Location: District

---

#### SUMMARY:

Under the direction and supervision of the District's Speech Language Pathologist (S-LP), the Speech Language Pathologist Assistant will be assigned to work with designated students at multiple locations.

#### DUTIES:

- Provides direct frequent practice of speech, language, and/or communication goals and objectives to students as identified by School Based Team and the Speech-Language Pathologist (S-LP).
- Demonstrates an understanding of treatment objectives and has the capacity to provide treatment consistent with these objectives.
- Prepares and presents materials consistent with the treatment plan designed by the supervising S-LP
- Follows the frequency schedule of practice as determined by the S-LP and plans with classroom teacher for the best possible schedule
- Regularly checks email for materials and/or changes to student schedules/goals/objectives from the S-LP.
- Gathers additional documentation (data, observations) as requested by the S-LP
- Identifies environmental factors that may impact or interfere with the provision of services and acts to remove these factors whenever possible.
- Manages time effectively without day-to-day oversight from the Speech Language Pathologist
- Responds effectively and flexibly to student attitudes and behaviours.
- Seeks advice from the supervising S-LP when necessary.
- Contributes positively to the care of the student.
- Demonstrates appropriate conduct (e.g., respecting and maintaining confidentiality, maintaining a professional demeanor, evaluating own performance and recognizing own professional limitations).
- Maintains accurate documentation as directed by the supervision S-LP.
- Follows and implements documented treatment plans developed by the supervising Speech-Language Pathologist (S-LP).
- Provides treatment to students under supervision of the S-LP.
- Documents student performance during treatment and reports the information to the supervising S-LP.
- Assists students in gaining independence in specific academic skills, social skills, and life skills
- Communicates with students using a variety of communication strategies as required such as picture symbols, etc.
- Assists with the implementation of conflict resolution strategies, problem solving models as needed
- Monitors, observes and reports to the S-LP on student progress and participates in team meetings as required
- Assists student(s) in developing problem solving, socialization and peer interaction skills
- Assists in the supervision and physical safety of student(s) as required
- Works with District staff, other professionals/agencies and parents, and under the direction of the S-LP, to foster independence and develop student potential
- Assists students in the use of Augmentative and Alternative communication devices and programs relevant to their needs
- Operates standard office and classroom equipment e.g. photocopier, audiovisual equipment, computers, tablets
- Communicates effectively using courtesy, tact and discretion with school staff, students and parents in the explanation and clarification of information
- Maintains the confidentiality of information seen or heard
- May be required to perform other assigned comparable duties which are within the scope of knowledge, skills and abilities required by this class specification

#### QUALIFICATIONS:

- Completion of Grade 12 (Dogwood Certificate)
- Possession of a Speech Language Pathologist Assistant Diploma, or equivalent post-secondary speech language assistant training
- Training in Non-Violent Crisis Management Techniques (e.g. CPI training) and POPARD (Provincial Outreach Program for Autism and Related Behaviour Disorders) would be an asset
- One (1) year experience working students with speech and language difficulties in a K-12 educational environment
- Familiarity with computer software for students with speech and language difficulties would be an asset
- Demonstrated ability to use initiative to determine, judge and select appropriate course of action within the guidelines provided by the Speech Language Pathologist
- Familiarity with Workers' Compensation Board (WCB) safety procedures
- Valid Class 5 – BC Driver's Licence and an exemplary driving record as demonstrated by a current drivers' abstract
- Physical ability to perform the required duties
